

The Mayfield Loop Lesson 2

Student Worksheet:

DESIGNING A BETTER LEARNING SPACE

Name:	
Date:	

1. Entry Activity – Lesson 1 Insights

Review the class insight chart from Lesson 1. What were the main challenges and strengths identified in our learning space?

Challenges	Strengths

2. Define the Design Challenge

In your own words, describe the design challenge for today's lesson.

Focus on the following:

- Lighting
- Furniture layout
- Noise control
- Storage
- Movement pathways
- Calm zones
- Collaboration areas

3. Ideation – Generate 3 Ideas

Sketch or describe three different ideas to improve the learning space. Think creatively!

Idea 1:

Idea 2:

Idea 3:

4. Concept Development – Final Design

Choose your best idea. Create a labelled sketch below and explain how it improves the space.

Sketch:

Justification:

5. Gallery Walk Feedback

What feedback did you receive from your peers? How might you improve your design?

6. Final Reflection

What did you learn about how space affects learning and wellbeing?
